Mr. Snyder busy at work.

caduceus dedicated to mr. levy

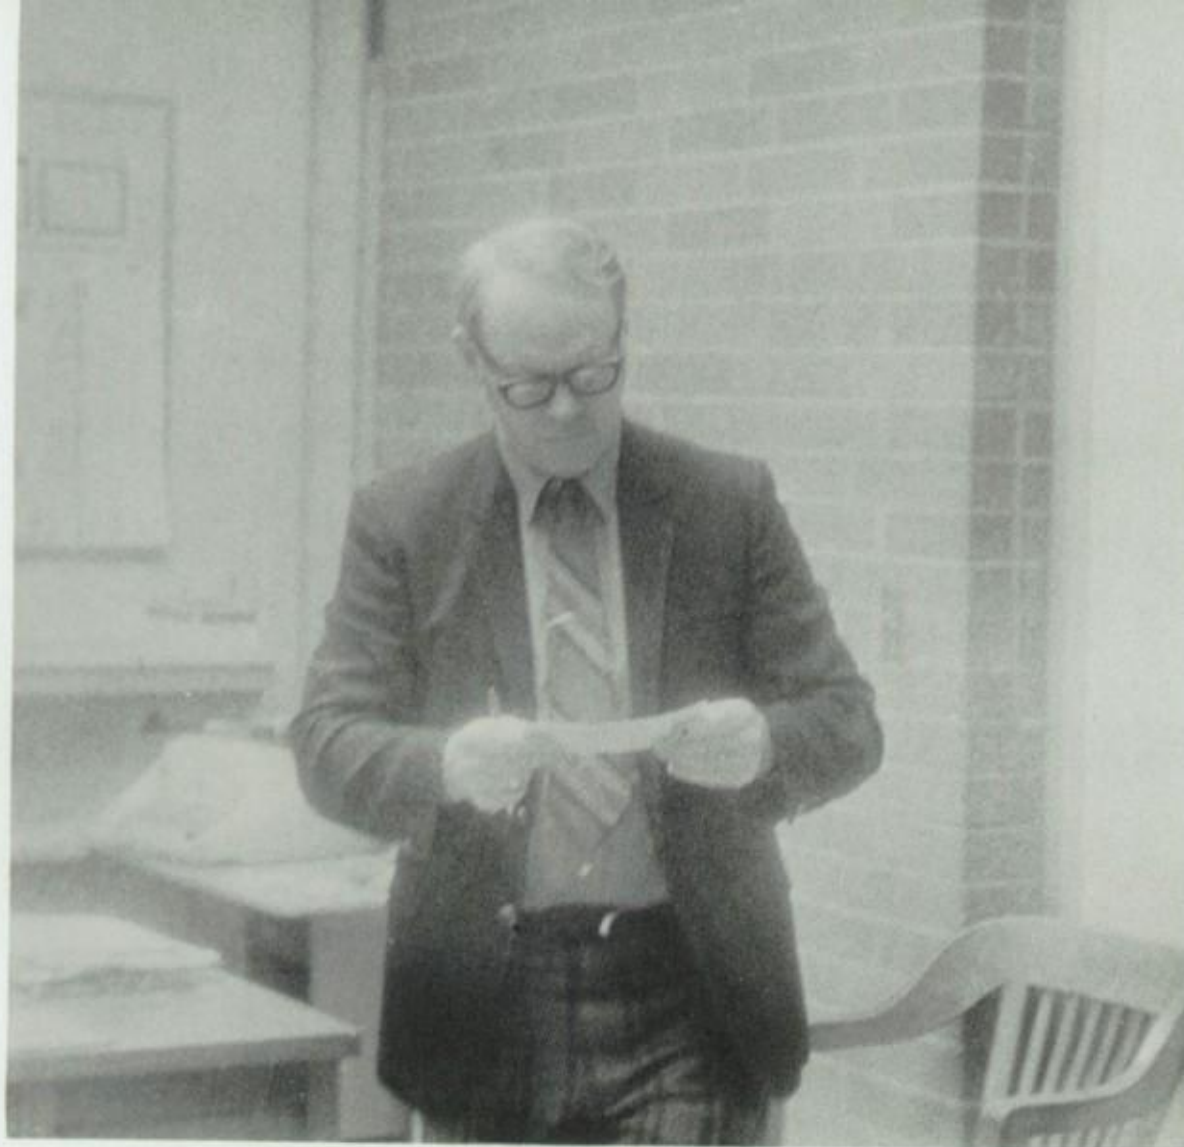

In appreciation for his service to Chico High School, we dedicate the 1972 Caduceus to Mr. Levy.

Mr. Levy retired after being in business for himself in Chico for 14 years at Chico Linoleum and Tile Company.

Mr. Levy came to Chico High School in the fall of 1968 as a volunteer. He donates at least three hours every day to the English Department typing up most of the work sheets, creative writing assignments, and lesson plans. He sometimes justifies columns for the newspaper. He is also a great authority with a dictionary.

In the office, Mr. Levy assists students in using office machines. He also does minor repairs on office equipment. We really appreciate everything Mr. Levy does for us. He dispenses equal love and justice to all.

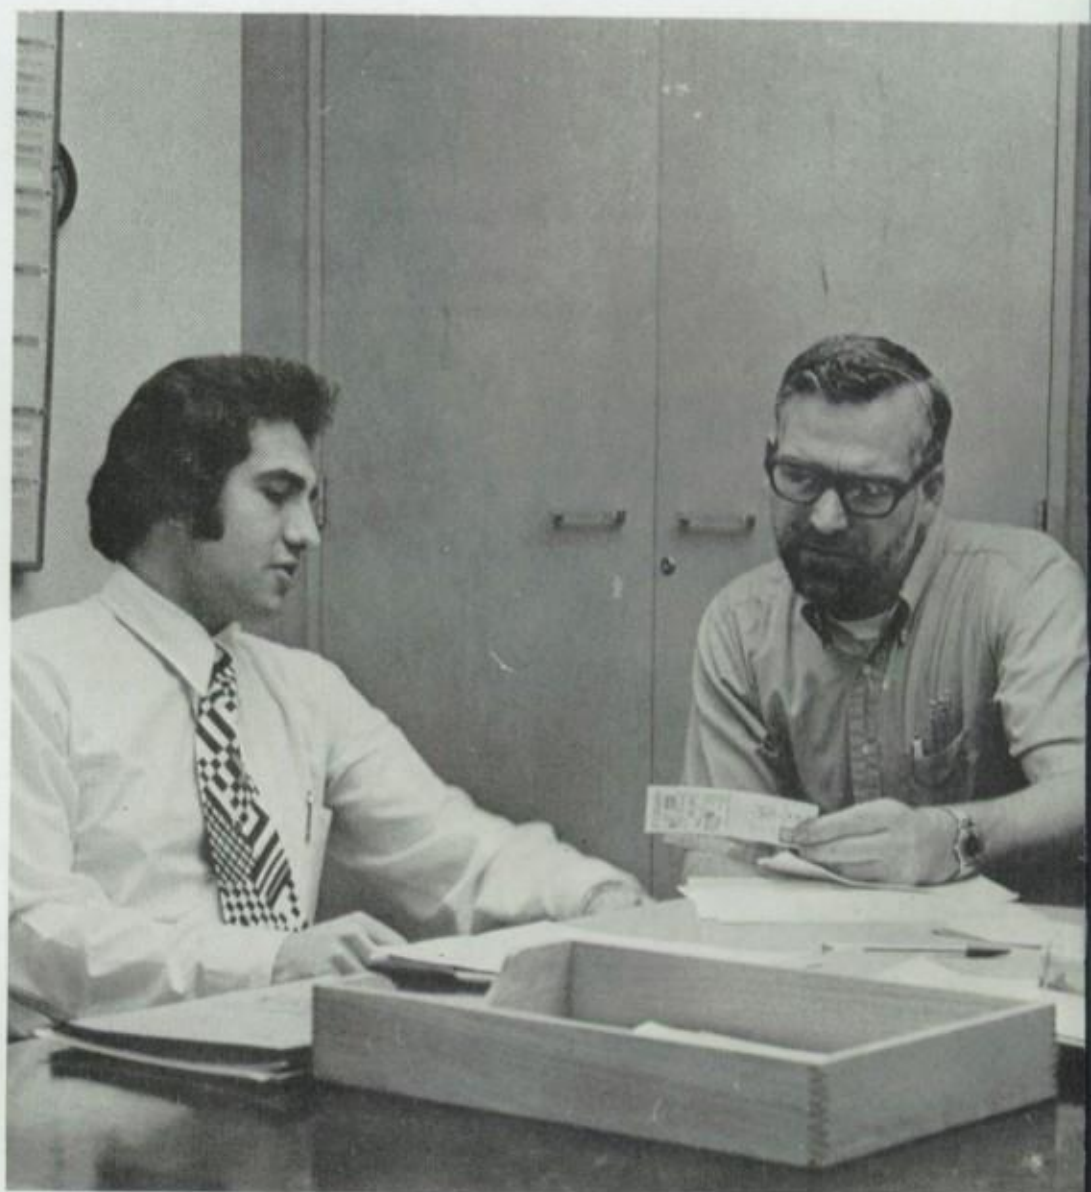

Mr. Alexander assumes his duties as second in command at Chico Senior High with dignity and efficiency. As Vice-Principal, he is in charge of the difficult task of student discipline and counseling. He often serves as chairman for faculty meetings.

Mr. Alexander solves another problem.

Pausing for a moment's rest.

Mr. Barris & Mr. Bader discuss some tactics of our rivals.

Mrs. Priel works with students every day, helping them to keep club and organization business in order. Her patience and understanding are appreciated by everyone.

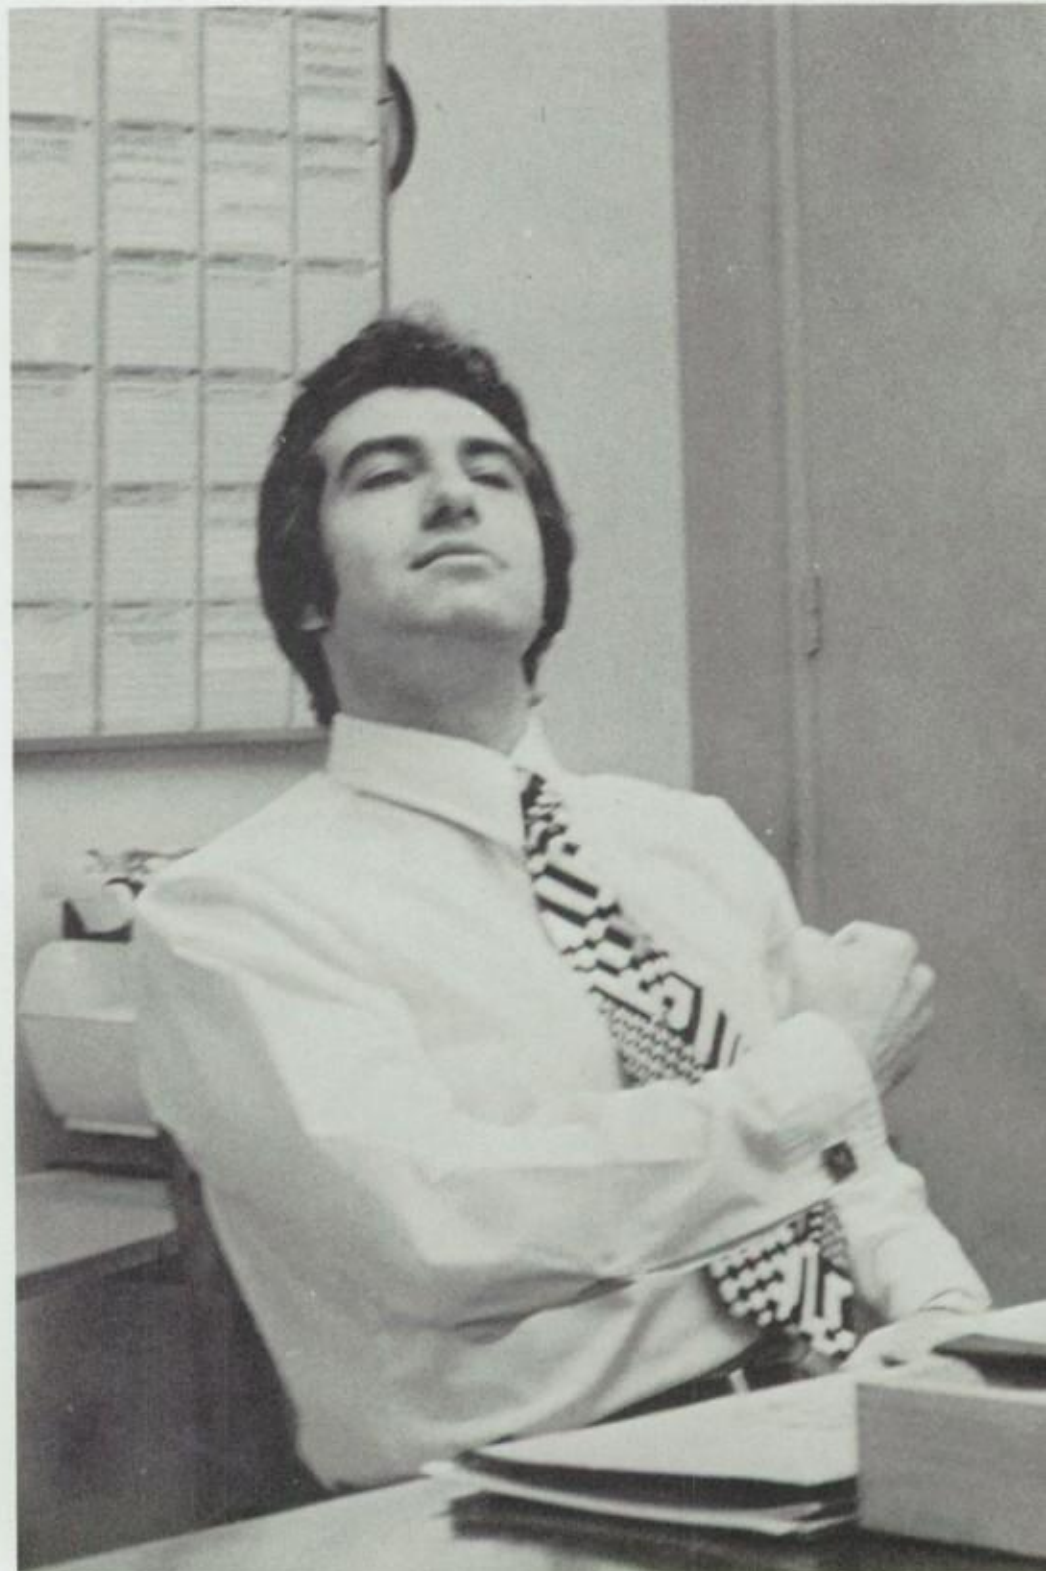

Mrs. Priel, secretary of Student Activities makes it through another hectic day.

Mr. Barris has arranged many an activity this year. Without his help and advice our calendar of events would have never got started. You can often find him in his office long after working hours planning for tomorrow's activities.

Once more into the cash drawer, ticket closet, then back to the papers and phone.

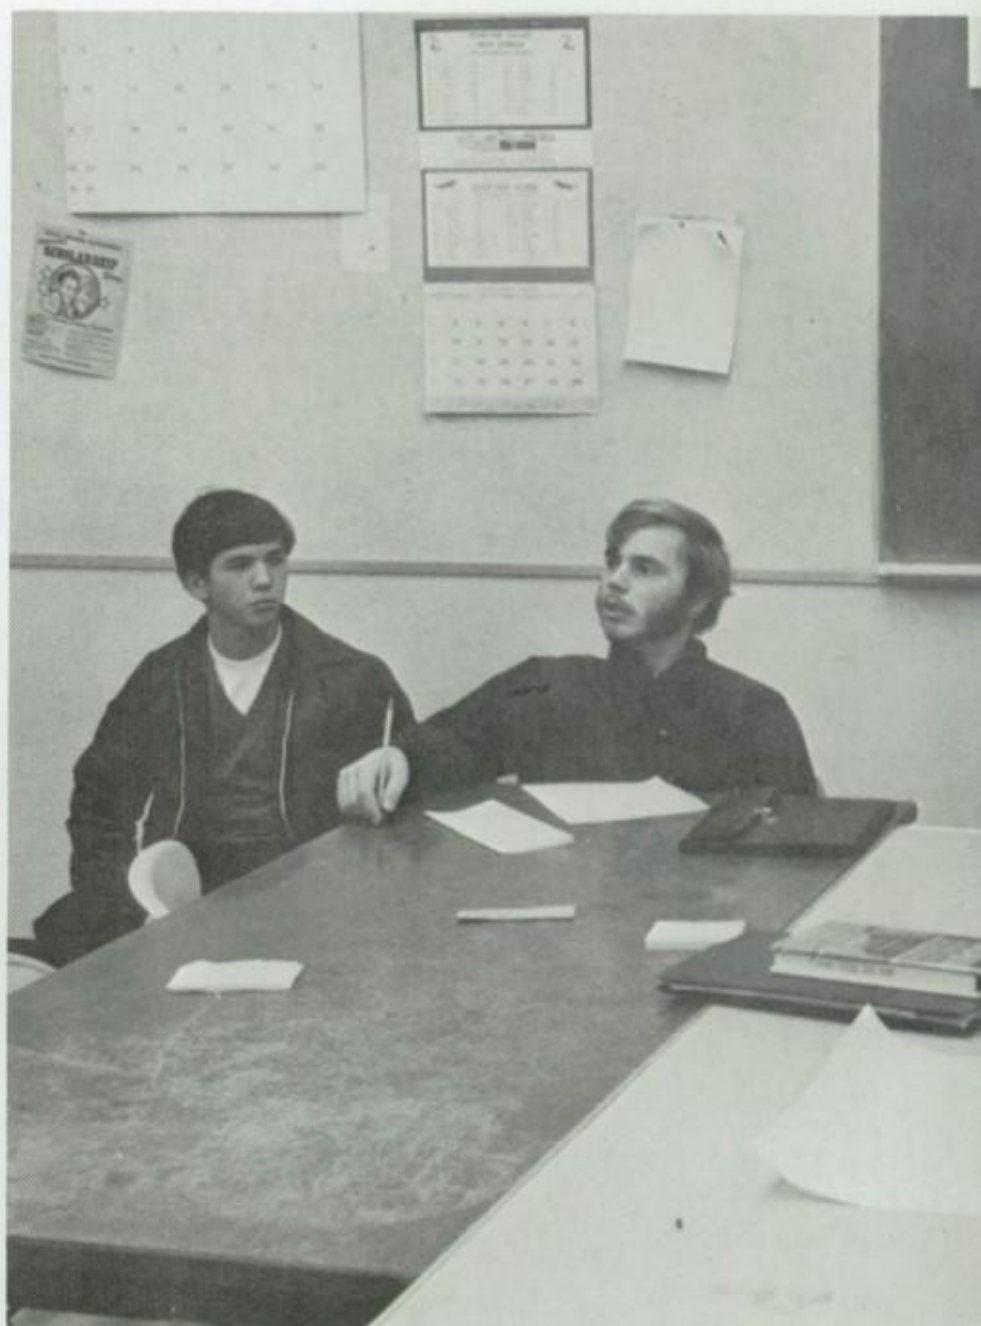

Johnny shows his modesty.

student govt. wields strong influence

Mike makes a point during a meeting.

Mike Soares, Chip Merium, Mike Plymesser, and Sara Growden discuss important business.

Student Govt. starts out with a good beat.

Student Govt. really swings.

Tino talks at meeting.

Miss Rivers and Mr. Richter make beautiful music together.

*Don't downgrade yourself
 in the last quarter. There are
 many factors that make a
 person do or not do certain
 things. I still think you
 are an excellent student. Say
 and a nice person. Say
 "hi" to me when you see me
 next year on campus
 and let me know how you feel
 about it.*

sophomore class of "74"

Sophomore president John Zicker.

Sophomore class officers: President, John Zicker; Vice-President, Kari Small; Secretary, Vickie Lydon; Treasurer, Diane Deurloo.

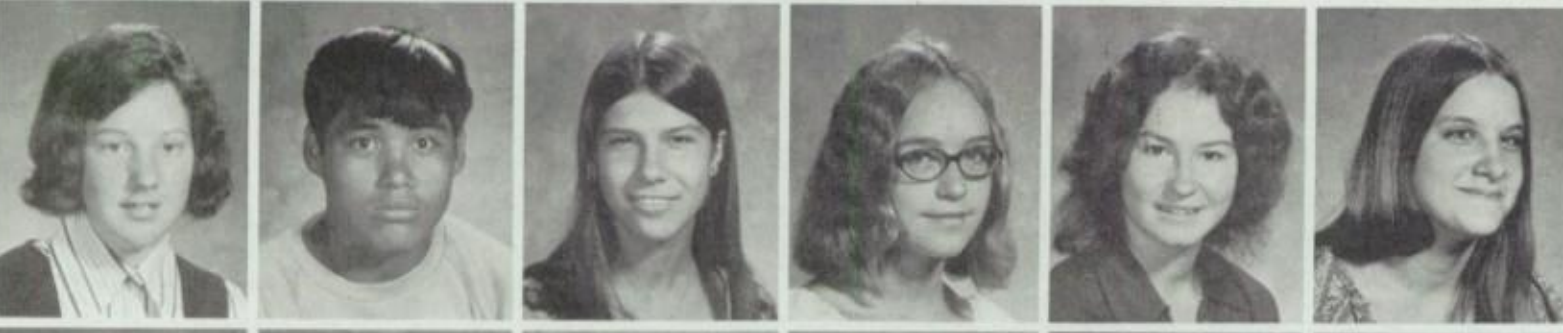

Sophomore president, John Zicker is right on top of things, with class officers right at hand. This year's sophomore class has taken part in quite a few school activities, showing school spirit. So from what spirit and participation the sophomores have shown they will and are a great tribute to "CSHS".

BIG SISTERS observe the choir concert on Back-to-School Night.

Student Involvement Committee is a new club this year. It was formed for those who enjoy talking about school, local, and national topics of interest. Another new club formed this year is the Black Student Union. This club is open to any interested CHS student. The Pep Band "does their thing" at CHS games. FFA, FHA, and Para-Medical Careers prepare for the future, while CSF sticks with the present. The Thespians, Chess, Art, Spanish, French, VICA, and AFS clubs are clubs for people who are interested in the different arts. Big Sisters is a Senior girls club that aids students throughout the year. In order to enter Block "C", you must gain either one varsity Block "C" or two J.V. Block "C"s in any sport.

Fredd Cummins, Renee Chamberlin, Joe Person, and Debbie Vietti, "clown around" during rehearsal!

Excitement flares on campus as Butte College Drama department perform parts of the rock opera CANDIDE.

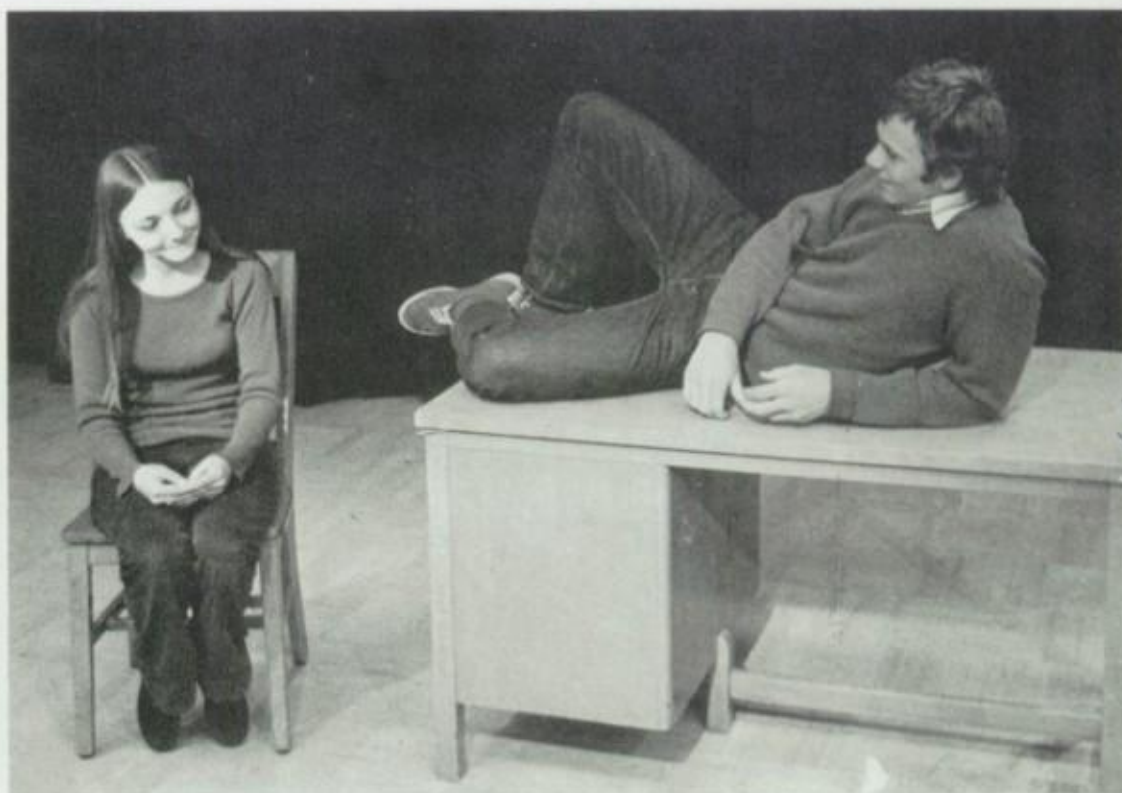

The incomparable Drama I!

Drama got off to a good start this year by presenting to the public two one-act plays! The play, "A Portrait of Nelson Holiday Jr.", performed by Drama I, was well received by approximately 250 to 300 people. This play was a comedy about the day in the life of a simple 16 year old school boy. The play, "Dope", also presented in February by Drama II and III was a hard hitting drama about city life and drug addiction. It outlined the movements and feelings of living in a big city.

Both Drama classes worked on T.V. plays throughout the year. Among these were "Charlie Brown's Easter" and "Ode to Apathy", both original productions! Drama advisor this year was Mr. Charles Sinatra. Our thanks to him and the Drama classes for an exciting and interesting year of Drama!
